ANDREW EARNSHAW

Director of U.S. Ministry

We know that in everything God works for the good of those who love him. These are the people God chose, because that was his plan. Romans 8:28 ERV

Family is very important to Bible League International's Director of U.S. Ministry, Andrew Earnshaw. When asked who his biggest inspiration is, he does not hesitate to mention his wife, Lauren, and their three young sons: Jack, Troy, and James. "I'm happily married to my best friend," he says with a warm smile. "I am grateful today to know that I have been saved by God's grace, and it is my desire for everyone around the world to experience God's grace as I have."

Andrew leads the U.S. Ministry team. This team provides evangelism and discipleship training, Bibles and biblical materials to churches and ministry partners working in prisons, and under-resourced communities throughout the United States.

Andrew and his team also work to raise awareness and find new methods to serve the Church. He believes his work to be God's purpose. He explains, "I seriously love the work I do, and I do not take it for granted. I do this work because I believe God is using this organization to provide people with the opportunity to hear His Word." Andrew continues, "Bible League is an amazing place to work. The same relationship God offers to me, as a joint-heir with Christ, is being made available to others around the world through the Gospel. That's amazing to me!" he exclaims.

Andrew is completing a Master of Ministry degree from Kuyper College and has studied Marketing Communication at Purdue University. He enjoys reading, praying, and spending time with his family. Bible League isn't the only place Andrew helps to spread the hope of Christ. He also works as a volunteer with rehabilitation programs that help people recover from addictions to drugs and alcohol. Andrew says, "I have seen God take my problems and use them for my good. That's why my favorite Bible verse is Romans 8:28. It has helped me face challenges. The least I can do is help others do the same."
