• Bible League International’s easy-to-read Bibles are currently available in 24 languages and New Testaments are in 33 languages. These versions help to engage people around the world in the Gospel by providing God’s Word in a way that’s easy to understand and believe.

• All available easy-to-read Scriptures are used in Project Philip, Church Planter Training, and Bible-based Literacy materials.

• Translation teams worldwide are working on Bible translations in seven languages: Haitian-Creole, Japanese, Korean, Indonesian, Swahili, Turkish, and French.

Pray for Translations

**Week 1:** Thank God that the Croatian easy-to-read translation is complete. May God open the minds of those who will receive the first 10,000 printed copies this fall. As this is the first Bible written in contemporary Croatian, pray many discover the hope of Jesus Christ through it.

Praise the Lord for opportunities to use the French easy-to-read translation in parts of Africa. Pray for translators as they begin work on the 52 lessons for the Prison Bible. Ask the Lord to ready the hearts of prisoners who will receive the life-changing message of the Gospel through the French Prison Bible.

May the Lord guide translators in India as they make progress on the Telugu New Testament.

**Week 2:** Pray for protection of people across Haiti, including translators. Praise God that all the Old Testament books of the Haitian-Creole text have been drafted.

Pray for Ali, Bible League’s translation editor in Turkey, as he continues to shelter in place through the pandemic. May he, along with the rest of the team, continue making progress on the final work on the Bible.

May God bless the translation work of the Hindi Gospel of John for the digital version. Ask the Lord to keep the translation team safe and healthy through their work on the New Testament.

*My Lord, you are good and merciful. You love all those who call to you for help. LORD, hear my prayer. Listen to my cry for mercy. I am praying to you in my time of trouble. I know you will answer me.*  PSALM 86:5-7 ERV
Week 3: Pray for the translators in Tokyo as they continue to draft the Japanese translation of the Old Testament this year. In the coming months, they’ll draft Psalms, Ezekiel, and Micah.

The translation team in Indonesia is making progress on the work of the Old Testament. They understand now more than ever how important this easy-to-read translation will be for the people of this nation. Yuhard, the editor, notes, “Please continue to pray for our Indonesian project. I am working with the Old Testament texts and am now in 2 Chronicles. As I go through some of the available Indonesian versions, I am convinced that we are on the right track to provide a fresh, easy translation that will help ordinary people grasp God’s heart and His love for them.”

Week 4: Pray for the translation of the Korean text as the team creates a typesetting draft and does a final reading. Next, they will work on getting it ready for digital platforms.

Ask the Lord to bless George, Chief Editor in Kenya, as he reviews the 52 lessons of the Swahili Prison Bible. May God give wisdom and guidance to those who are working on and reviewing this project.
