• Last year, more than 25,000 people across the U.S. were reached with God’s Word through Project Philip Bible studies and Bible-based Literacy classes.

• Spanish- and French-speaking immigrants, along with prisoners and inner-city youth, among others, are learning how to study God’s Word, share the Gospel, and transform communities. From California to Texas to Illinois to Georgia, and places in between, people are discovering Christ through His Word.

• Despite a long-standing history of this vast nation being Christian, there are many today who have no belief in God. The Church in the U.S. is steadily declining.

**Pray for the U.S.**

**Week 1:** Pray for the 23 believers who participated in a Bible League Bible-based Literacy training in Lawrence, Massachusetts. Pray for God to use these Christian leaders to reach many people with the hope of Jesus Christ.

Thank God for the Bible League Project Philip Bible study training in Spanish with five churches in Brooklyn, Queens, and Staten Island, New York. Seventy-five people attended the training. May more lives transform as people study God’s Word.

**Week 2:** Ask the Lord to guide the 28 people who attended a Project Philip training in Chicago, Illinois. May God continue working in the hearts of these believers and open doors for them to share the Gospel in their communities.

*“God is fair, and he will remember all the work you have done. He will remember that you showed your love to him by helping his people and that you continue to help them.”* HEBREWS 6:10 ERV
Pray for Lucas and Paula’s church in Visalia, California. Lucas is a Bible League-trained church planter who is reaching out to his Hispanic immigrant community through Project Philip Bible studies. Even during the pandemic, the couple’s church has continued to grow and make a difference.

**Week 3:** Thank God for those who took part in an English Bible-based Literacy training in Cedar Springs, Michigan. Pray for these new Bible-based Literacy teachers as they help children and adults to learn to read and write with God’s Word.

Pray for churches in Mesquite and Hurst, Texas, as they share the Gospel through Project Philip Bible studies. Recently, several churches in the Dallas area attended Project Philip trainings in Spanish.

**Week 4:** Pray for the inmates at the Cook County Jail in Illinois who will begin a new Project Philip Bible study soon. They received training by the jail’s chaplains because of the limitations of accessing inmates due to COVID-19. Pray for the Spirit to prepare the hearts of all who hear His Word.

Thank God for 10 women in South Carolina who found new life in Christ through Bible League’s ministry. May their faith continue to grow strong in God’s Word in the coming weeks and months.

Ask the Lord to grow Manuel and Rosa’s church in Williams, California. They are Bible League-trained church planters who are spreading the hope of Jesus in a small farming community where gangs and drug use are big problems.
