• In the last year, nearly 1.8 million men, women, children, youth, and prisoners engaged in God’s Word through Bible League’s Project Philip Bible studies, Church Planter Training, and Bible-based Literacy. Nearly 82,000 people were trained to share the Good News of Jesus Christ in their communities. God is at work!

• Just recently, believers celebrated the dedication of Bible League’s easy-to-read translation of the Croatian Bible. The completion of this Bible is a long-awaited answer to prayer. It is the first time a Bible will be available in contemporary Croatian.

Pray for Worldwide Ministry

Week 1: The last month has been especially difficult for people in the Philippines. Typhoons have battered the island nation repeatedly in the last few weeks. In Nicaragua, and other neighboring countries in Latin America, hurricanes have recently slammed the region. During this already difficult time, people are now losing their homes and loved ones. May the Lord be near to the brokenhearted and bind up their wounds.

Thank the Lord for the Bibles and materials used to engage medical staff in Brazil (pictured above) in God’s Word. Believers gave the materials to medical staff, shared the Word, and prayed for encouragement. Pray that the Word continues to work in their hearts and encourages them to share their life-giving faith!

Pray for the upcoming Project Philip trainings in Chile. COVID-19 has exasperated social unrest within this nation. In many ways, this presents an opportunity for those to see that our Lord Jesus Christ gives hope and peace. Ask the Lord to bless the participants and the ministry work after the trainings.

Praise God for the Project Philip Bible studies led by Pastor Tony in La Guajira, Colombia. Please pray for each of the lives engaged in God’s Word in this place, which is a hard-to-reach area. Now, Pastor Tony is conducting a new study group in the Amazon, continuing his work with indigenous communities in southern Colombia. May the Lord guide him in every step to reach more lives for Christ.
**Week 2:** Pray for Albanian churches as they put greater focus on evangelizing their communities this month. May God ready the hearts of those who will hear His message of love and open their eyes to see that Jesus is more than a prophet.

Ask the Lord to guide and protect believers living in a highly Muslim city in a country near Albania. Being a believer in this area is difficult due to Islamic pressure. May Christians find strength in God’s Word and be a light to their city.

Please pray for Armenia as people recover from the conflict with Azerbaijan. There is a peace deal, but there is some civil unrest from it as well. May God give the Armenian people and the refugees there His hope and peace.

**Week 3:** Thank God that Kenyan churches have been able to reopen after months of closure due to the pandemic. There are still restrictions in place to keep people safe. It has been a challenging time for believers there who don’t always have access to the internet for online church. Pray that everyone will remain healthy and safe.

As Philips (Project Philip Bible study leaders) reach out to their communities in Zimbabwe, pray that people will discover the one true God. May God continue to provide ways to reach more people for Jesus Christ.

Praise God for the success of Project Philip Bible studies in Ghana in 2020. Despite the pandemic, the Lord has sustained ministry there. Now, even churches near Togo are requesting the Project Philip Bible studies. May God be praised!

**Week 4:** Thank God for how He is transforming lives in the Middle East. Through the use of social media during the pandemic, churches have been able to discover new places to begin Project Philip Bible studies and Bible-based Literacy classes. Pray for believers throughout the Middle East as they seek God’s will to expand in new areas.

Please pray for the church planters who graduated recently in Haiti. Ask the Lord to guide them as they share the Gospel in their communities.

May the Lord bless Erasmo, who is engaging people in God’s Word in Esmeralda in Oaxaca, Mexico. At 80 years old, he is still sharing God’s Word as a Bible League-trained church planter and using Project Philip Bible studies to do so. The Project Philip Bible study Erasmo leads near his home has grown from 3 people to 10; some of them have found new life in Christ.
