

I thank God every time I remember you. I am sure that the good work God began in you will continue until he completes it on the day when Jesus Christ comes again. PHILIPPIANS 1:3,6 ERV

Prayer Calendar
FEBRUARY 2021

- Over the next year, people in more than 12 countries in Africa will engage in God's Word through *Project Philip* Bible studies, Church Planter Training, and Bible-based Literacy classes.
- Through *Project Philip* Bible studies, the Gospel of Jesus Christ is reaching people in seven regions in Ghana, including Volta, Western, and Northern. Bible League's Church Planter Training is equipping believers to share God's Word in Ghana's North-East and Northern Regions.
- More than half the population of Ghana is under the age of 25. And though English is the official language, not everyone speaks it. There are around 80 languages used throughout the country.

Pray for Ghana and Africa

Week 1: Pray for God to open doors for churches in Ghana to engage hundreds of thousands of children in God's Word. Believers are grateful for a new opportunity that could make this a reality. May God direct them as they continue to plan for this promising outreach.

Church planters in Ghana have finished their first module of training and are currently reaching out to their communities. Please pray for God's strength, power, and wisdom for these planters. Pray that they may do a good job to the glory of God the Father.

Under-resourced churches hope to engage more people in God's Word in Takoradi and Bibiani, Ghana. Let us pray for new opportunities for *Project Philip* Bible studies in these regions of the country.

Week 2: Pray for Ethiopia's school year and the students still awaiting the national final examinations which have been postponed due to political unrest and the COVID-19 pandemic.

Pray that all those involved in Bible-based Literacy, *Project Philip* Bible studies, and Church Planter Training in Zambia will be safe and under God's protection. May the Lord help them to hear the Gospel and discover salvation through Jesus Christ.

Please ask the Lord to guide Mr. Freddy, a trainer of *Project Philip* Bible study leaders in Gitega, Burundi, as he hopes to begin Bible studies at Mweya High School.

Pray for Ghana and Africa (continued)

Week 3: Thank the Lord for the believers who attended the second module of Church Planter Training in Xai-Xai, Mozambique. They are motivated by the impact they are experiencing in each of their communities.

A *Project Philip* training recently took place in Johannesburg, South Africa. Please pray for these newly trained Christians as they go out into their neighborhoods to share the Good News of Jesus Christ.

Esther, a believer in South Africa, has been conducting *Project Philip* Bible studies with her neighbors in Lawley. This is a small township where unemployment, poverty, water crisis, and lack of electricity are great challenges. Even still, 15 children and 6 adults have graduated from *Project Philip* and were very excited to receive Bibles. We praise God and pray that they will continue engaging in God's Word.

Week 4: Praise the Lord that despite lockdowns and the pandemic people have been able to continue sharing God's Word through *Project Philip* Bible studies.

Pray for under-resourced churches in Malawi as they get ready to move forward into this new year with *Project Philip* Bible studies. May they be determined and confident, knowing that God will be with them.

Continue to be in prayer for the devastating COVID-19 pandemic which is heartbreaking for so many people across Africa.
