• Bible League-trained believers around the world continue to sow the seed of God’s Word in people’s hearts and nurture its growth. So far this year, they have used more than 15 Bibles and biblical resources to reach about 8 people on average *every minute of every day*. Praise God!

• Bible League-trained church planters in many parts of the world face increasing opposition. Still, they have planted 390 new churches to date.

• The demand for God’s Word is growing! People are hungry for God’s Word. Rapid growth in the ministry is using more Bibles faster than we can print them.

**PRAY FOR Worldwide Ministry**

Join with Bible League team members in Malawi, Mozambique, and Zambia in giving thanks that God’s Word is reaching prison inmates in their countries. Pray that each inmate reached by the Gospel will find true freedom in Jesus Christ.

Pray for peace along the border of Armenia and Artsakh (Nagorno-Karabakh). Pray, too, for a lifting of the blockade that is separating families and limiting food supplies.

**Week 2**

Pray for peace in Sudan, a nation embroiled in civil war. Sudan shares a border with Ethiopia, Egypt, and South Sudan, three countries where Bible League-provided Scriptures are bringing the hope of the Gospel.

A new Church Planter Training class in northern Bangladesh recently completed the first module of training. Ask God to bless these church planters. Pray that many people will come to understand God’s Word and know the Lord Jesus Christ, and for new churches where they can grow in their faith.

Meremable, a Bible League-trained church planter in Haiti, was forced to leave her home due to gang violence in her town. She is currently staying with another family. Pray for safety and peace in her community.

Pray, too, for Dorneval, another Bible League-trained church planter in Haiti. He, his family, and his church members also left their home community because of gang violence, taking refuge in another area of the country. Ask God to make a way for them to return to their homes soon.

**Week 3**

Thank God that 22 church planters recently completed Bible League’s Church Planting Training in southeastern Bangladesh. Pray that many from all the indigenous people groups in the region will come to know the Lord and then form new churches, where their faith can grow.

Pray for Rose, a Bible League-trained church planter who has started reaching children in her town in central Sri Lanka.

Please pray for Bible League-trained church planter Hovhannes in Armenia. He and his wife Elena have seven children and are expecting their eighth. Sadly, their 14-year-old daughter has cancer and is currently in the hospital, where Elena helps to care for her. Wanting to bring other hospitalized kids to Jesus, Elena started to tell them about Jesus. Hovhannes recently picked up children’s *Project Philip* Bible study booklets for her to use. Praise God that these children’s mothers are also coming to the Lord. Pray that God will heal Hovhannes’ and Elena’s daughter. Please also pray for Elena as she cares for their daughter and for the children and parents she’s serving with God’s Word.

**Week 4**

Please pray that Bibles will arrive soon in Burundi, where school students in Muramvya, Gitega, Mwaro, Cibitoke, and Bujumbura provinces recently finished the *Project Philip* Bible study. The students will graduate from the program as soon as the Bibles are in stock.

Praise God for children in Cuba who recently finished the first book in Bible League’s new *Discovery Series* Bible studies. Pray that these children will stay close to the Lord. Pray, too, that their families will come to know God’s love in their own lives.

Ask the Lord to protect all those who face persecution simply because they follow Jesus as their Savior, especially for church leaders and believers in India. Pray, too, for Savita, a Bible-based Literacy student who is facing opposition from local villagers and her husband. She asks that you pray for her husband’s transformation.

Thank God for the 27 inmates in two maximum security prisons in South Africa who recently completed Bible League’s *Prison Project Philip* Bible study. The prisons are in the provinces of Free State and Gauteng.
