

“...And the Good News I have shared about God’s kingdom will be told throughout the world. It will be spread to every nation. Then the end will come.” MATTHEW 24:14 ERV

- So far this year, nearly 600,000 people across Asia have studied God’s Word and found hope in Christ using Bible League’s *Project Philip* Bible studies, Church Planter Training, and Bible-based Literacy. Praise God for His work in Asia!
- Since many Christians in Asia face increasing levels of persecution, it’s vitally important to strengthen them with God’s Word and training. In 2023, more than 24,500 people in 11 countries already received training to share the Good News in their communities.
- In 2023, Bible League will reach under-served communities in Asia using both in-person and online formats. In Asian nations where persecution and danger are increasing, technology enables the Word of God to transform lives, families, and communities in unique ways.

PRAY FOR *Asia*

Week 1:

Pray for a Church Planter Training in southeastern **Bangladesh**. Thirty-six church planters from different denominations are part of the training. May they be empowered to go into their communities with the Word of God and plant many new churches in the rural areas of the region.

Thank the Lord for Pastor Ruel, a Bible League-trained church planter who recently started his church meetings under a tree in the **Philippines**. The Lord has grown his congregation to 100 young people! Please pray for the construction of a small facility where these believers can gather for worship, fellowship, and discipleship.

Pray for the 42 believers from different denominations in northern **Vietnam** who recently completed *Project Philip* training. Ask the Lord to help them effectively utilize the *Project Philip* materials in Bible Study groups in regional churches.

Praise God for 53 participants who attended the Bible-based Literacy training in **Malaysia**. All of them were middle-aged women involved in Sunday school and preschools in their local village churches. They have prayed for a training like this for years. They are grateful for the Bibles, biblical materials, and training that prepared them to conduct this Bible study in their local neighborhoods. Pray that God would flourish their ministry as they equip others to teach Bible-based Literacy classes.

Week 3:

Praise God for a Bible League-trained church planter who started a new *Project Philip* Bible study in central **India** with 20-25 people. Pray that these new believers stand strong in Christ and build a solid foundation on God's Word.

Please pray for 16 adults in a Bible-based Literacy class hosted by a local church in **Taiwan**. Pray that God opens the hearts of the students to understand the Gospel. May the Lord empower the believers to share God's goodness and mercy with their classmates. May the non-Christians come to faith and become God's children.

Week 4:

Give thanks for a church in **Nepal** that is under the leadership of a new pastor. The congregation has 35 believers and uses *Project Philip* materials for evangelism and discipleship. Pray for the believers to grow in faith, and that more people would accept Jesus through their witness.

Pray for the recent virtual Bible-based Literacy training in **Hong Kong**. Pray that this training will be fruitful and successful, leading to the salvation of those who hear the Gospel. Ask God to work in the hearts of the students to receive and follow Jesus.

Thank the Lord for a successful *Project Philip* training in central **Thailand**. Pray that the 26 students start new Bible study groups to study God's Word and spread the Gospel in their communities.
