

*And this is the secret truth: that by hearing the Good News, those who are not Jews will share with the Jews in the blessings God has for his people. They are part of the same body, and they share in the promise God made through Christ Jesus.* EPHESIANS 3:6 ERV

- This year, more than 2.5 million people have already studied God’s Word and found hope in Christ using Bible League’s Bible studies, literacy classes, and training for Bible study leaders and people interested in planting churches. Praise God for His work!
- Nearly 132,000 people received training this year to share the Gospel with adults, children and prisoners in their communities. Bible League-trained Christians planted more than 1,700 churches around the world! People groups that never had access to God’s Word today are finding new life in Jesus Christ.
- In nations where persecution and danger are increasing, trained Christians are using technology to safely bring the Word of God to communities hungry for the Good News. May God continue to open doors for Bible study leaders, church planters, and literacy teachers to share the Gospel with even the most remote communities.

## PRAY FOR *Worldwide Ministry*

### *Week 1*

Let’s pray for a local church in **Albania** that recently planted a small new church in the western part of the country! A total of 70 people (40 young people and 30 children) became believers and accepted Jesus as Savior after participating in group Bible studies. Thank God for the amazing life change the Lord has done for these

new Christians. Pray that their relationship with God grows through studying His Word.

Praise the Lord for the continued protection of Bible League ministry in **Nepal**. Pray for all staff to be protected from dengue fever and eye infections.

*Please turn over...*

## PRAY FOR *Worldwide Ministry* (continued)

---

Thousands of people have been suffering from dengue, especially in eastern Nepal. Ask the Lord to heal those suffering from dengue fever.

### **Week 2**

Thank God for the partnership with the Refugee and Immigrant Network (RAIN) of the Christian and Missionary Alliance in the **U.S.** Over the last year, faculty members, staff, students, and alumni from a college in Georgia and three other Alliance partners wrote devotionals and book introductions for an English Easy-to-Read Bible for people whose native language is not English. Bible League provided the text of the English ERV Bible which is known as the *Wells of Refuge: Welcoming Devotional Bible*. Pray that this Bible will reach thousands of families from diverse people groups, while also being used as a tool to help users learn to read English.

Pray for church planter and Bible study leader Narcisse in **Haiti** who started an evangelism campaign with others since August in the northwestern region of the country. So far, 17 people have received eternal life. Thank God for His saving work, and ask that He would bless all the new believers and sustain their growing faith.

### **Week 3**

Pray for the current flood situation in **Bangladesh**. Different areas of the country are under water, causing suffering for millions of people. The Bible League office in the southeastern part of the country was completely under water for a few days. Many materials, including Bibles, were lost in the flood

water. Please pray for God to save the country from this situation and help displaced people to re-establish their lives and work.

Praise God for a Bible study leaders' seminar that was held for 14- to 17-year-old teenagers in **Armenia**. Twenty-five youth participated, and the topic was "Evangelism in the 21st Century. How to use modern technology for evangelism." It is essential to find modern tools for evangelism and equip local Christian teens. Please pray that God will use them for His glory and kingdom.

### **Week 4**

Thank God for a Bible study held in southern **Democratic Republic of the Congo**, where 36 children aged 6 to 12 came together for Bible teaching and prayer. The facilitators, Jason and Prosper, helped the children grow spiritually by studying God's Word. They emphasized the importance of making the right choices according to God's will. At the altar call, 12 children accepted Jesus Christ as their personal Savior. We praise the Lord Almighty for this exciting work!

Pray for Pastor Ravikumar, who is serving the Lord in the southernmost state in **India**. Through his Bible study groups, more than 30 people have been saved. Praise God! He recently formed a church there and started building a prayer house for the gatherings. However, some village members turned against the construction. Kindly pray for the complete construction of the church and for the Lord to give Pastor Ravikumar the strength to withstand opposition.
