

Tell everyone God's message. Be ready at all times to do whatever is needed. Tell people what they need to do, tell them when they are doing wrong, and encourage them. Do this with great patience and careful teaching.

2 TIMOTHY 4:2 ERV

- This year, more than 2.7 million people have already studied God's Word and found hope in Christ using Bible League's Bible studies, literacy classes, and training programs to equip Bible study leaders and church planters.
- More than 1.1 million children and youth heard the Gospel in 2023. The Word of God is reaching the next generation and influencing lives for Jesus Christ. The Good News continues transforming lives, families, and communities. Praise the Lord!
- More than 150,000 people received training this year to share the Gospel with adults, children, and prisoners in their communities. PRAY FOR *Worldwide Ministry*

Week 1

Praise God! Last month, Brother Huy was able to conduct a training for Bible study leaders for the Bunong tribe that resides in southern **Vietnam**. This is a very sensitive area because it is located on the border of Vietnam and Cambodia. About 100 pastors and church leaders attended from 8 churches in the region. They expressed their appreciation to the Bible League team for supplying them with Bibles and

Bible study materials. Pray that many people from the Bunong tribe receive Christ as their Savior.

Please pray for eight people who recently accepted Jesus Christ as their personal Savior in the **Democratic Republic of Congo**. Pray, too, that people in a southern village in that country turn to Christ. Pray that they will abandon the worship of idols, the calling on

the spirits of ancestors, and the use of magic and witchcraft, which are common practices in most rural areas in the country.

Pray for Pastor Dieuluis, one of our ministry partners in **Haiti**'s capital, Port au Prince. Cover his family and ministry in prayer, as armed gangs in the area killed one of his aunts. He doesn't want to quickly flee the community because he is constructing a church building. Ask for God's protection over his church and family.

Week 2

Pray for God's continued protection for 500 trained Christians in southern **Ethiopia**. Four hundred Christians graduated from Bible League's training programs for Bible study leaders, while more than 100 Christian leaders interested in evangelism learned how to incorporate Bible studies into their outreach programs. Ask God to prepare thousands of hearts to receive the Good News of Jesus Christ through these leaders.

Praise God for the successful trainings for literacy teachers in the **Philippines** last month! Pray that all 102 participants will partner with us and implement the program, leading to lasting fruit and salvation for many people.

Let's thank the Lord for 70 children and young people who accepted Jesus through a Bible study in western **Albania**. Pray that the Holy Spirit continues growing their faith and reaching others through their witness.

Week 3

Pray for Pastor Tandi as he shares the Gospel on an eastern island of **Indonesia** where indigenous populations still have not heard God's Word. Along with his team, pastor Tandi is teaching children ages 5 to 12 to read and write Indonesian for the next 3 months before introducing them to the Gospel through Bible League's Bible study program for kids. This is because 90% of these children cannot read or write. He has already sent 20 volunteers to teach literacy in 8 elementary schools, reaching about 500 students. Please pray that we can start Bible League's Bible study program for children and adults in the second week of December this year.

Give thanks to God for students equipped to plant churches in **Zimbabwe**! So far, they've successfully planted 211 churches throughout the country. Ask God to enable these trained Christians and ministry partners to reach 3,500 villages in Zimbabwe in need of the Gospel. By God's grace and through His Spirit, may a rich harvest be brought forth.

Praise God for more than 1,500 children and teenagers who participated in recent outreach events in **Armenia**. It's been a period of sowing the seeds of the Word of God. Now, it is harvesting time because many kids and youth are joining local Bible study groups. We pray to the Lord to help all these young ones to grow in Christ. Pray for our local program leaders; may the Lord give them the wisdom to serve children and teenagers.

Week 4

Pray for implementing the action plan arising from a conference for pastors and leaders in eastern **Malaysia**. The conference material focused on Joel 3:17-18. Over the two days, hundreds of people received Christ as Lord and Savior, and some people also experienced physical healing. Pray for Bible League's team in Malaysia as they network and collaborate with these pastors and leaders from numerous denominations. May the Lord empower them to reach each of their respective regions with Christ's love.

We pray for the families served by the Bible League office in **Jordan**. There is a shortage of fuel and electricity, which is only available for one hour a day. In some cities, temperatures range from 113° to 122° Fahrenheit. Ask for God's favor and provision for the families in the middle of these challenging circumstances.

Give thanks for the completion of training to equip church planters in **Ghana**. Students are preparing for the graduation ceremony. Ask God to bless the 100 churches and new church plants in southern Ghana that have formed as a result. Pray that the Holy Spirit gives the students wisdom as they continue discipling new believers and church groups.
