

*Yes, God loved the world so much that he gave his only Son, so that everyone who believes in him would not be lost but have eternal life. JOHN 3:16 ERV*

- In 2024, more than 560,000 people have already been reached with God's Word! Let's pray for Bible League's Bible studies, trainings for church planters, and literacy classes to bring thousands more people to Christ this year.
- The Word of God is opening hearts worldwide to Jesus Christ. More than 30,000 people received training to share God's Word in their neighborhoods. Thank the Lord for the dedication of teams to bring the Word in online formats when possible. Even in dangerous or remote areas, the Good News continues transforming lives, families, and communities.
- Pray for fruitful partnerships in many countries so that thousands of people can respond to the Good News. May the Lord strengthen and bless existing partnerships with prison ministries, children's ministries, and local churches.

## PRAY FOR *Worldwide Ministry*

### *Week 1*

Pray for Pastor David, a volunteer who recently trained 187 Christian leaders in Lima, **Peru**. Ask God to produce a rich spiritual harvest from the training and that these leaders will bring many to Christ. May God continue to open doors for us and bless our partnership with local churches.

Give thanks to 30 children who completed the *Discovery Series'* Old Testament coloring book in **Taiwan**. Pastor Ingrid is thankful for the children's enthusiasm for studying the Bible and the ongoing efforts of parents to invite new friends to join the Sunday school. Pray for the teachings of the Bible to take deep root in the hearts of these children.

*Please turn over...*

# PRAY FOR *Worldwide Ministry* (continued)

## Week 2

Thank God for a church in **Armenia** that will organize a ministry event for refugees from Artsakh (Nagorno-Karabakh). For many months, this church has been offering humanitarian help to the refugee families in their region, using the opportunity to share the Gospel with them. There will be about 120 participants during the event. Please pray for the refugees, the organizers, local church planters, and Bible study leaders involved in this ministry. Pray to the Lord to touch hearts and change their lives through Bible League's Bible studies, bringing people to salvation in Christ.

Pray for the upcoming Bible-based Literacy workshop for instructors at a local church **New York City**. The participants are eager to use Bible-based Literacy to reach the large Spanish-speaking and Chinese communities, surrounding them with the Gospel of Jesus Christ while providing a practical tool that will help a person improve their overall quality of life.

Praise God for the ministry in two different prisons in **Ethiopia**. A group of 100 prisoners started Bible League's Bible study focusing on the Gospel of John. Another group of Muslim prisoners are nearing the end of their Bible study and are eager to continue reading the Bible. Ask God to bless the inmates and strengthen their faith as they study God's Word together.

## Week 3

Pray for strength amidst increasing persecution in **Nepal**, especially along the Indian border, and for governmental challenges to evangelism. Ask for the Holy Spirit's continued work and those opposing Christianity to find acceptance in Jesus.

**Haiti** is dealing with one of the worst social and economic crises which is greatly impacting daily life and activities. Haitian people, especially Haitian leaders and the international community, are seeking solutions. Please pray that those seeking solutions look first for divine guidance through the Scriptures.

Praise God that many people are more interested in reading the Bible, especially in their heart language, during this time of crisis. Pray that Bible League International may be able to finish the translation of the complete easy-to-read Haitian Creole Bible as soon as possible and make it available in Haiti. May God's Word bring comfort to people across the nation.

Pray for ministry in **South African** juvenile centers that are facing severe spiritual challenges. Many inmates are receiving demonic attacks, causing programs to be suspended. Pastors there are feeling defeated. Pray that the centers' chaplain would implement Bible League's Bible studies and the Holy Spirit would equip local teachers and leaders to pray effectively against spiritual warfare. Pray for more volunteers to teach in the centers experiencing these problems. Pray for God to transform hearts and lives despite the spiritual opposition.

## Week 4

Pray for the Church in **Vietnam**, which currently includes 1,300 churches and group gatherings, predominantly among ethnic minorities in mountainous areas. With only 800 pastors and preachers for such a vast network, there is an urgent need for more trained church leaders. Please ask for God's guidance and provision in the training and raising of additional dedicated leaders to shepherd these communities.

**Zambia** is currently experiencing the worst cholera epidemic in its history. Over 300 people have been reported dead, while over 900 are undergoing treatment in the capital city's medical center. The government has since imposed restrictions in cholera-prone areas for social gatherings and restricted hours of worship to combat the disease in the country. Please join us in praying for God's hand and grace to spare lives. Pray for hygiene, sanitation, and clean water in the cholera-prone communities. Ask God to protect our partners from disease so they can continue sharing the Gospel.
