

*Give all your worries to him, because he cares for you. 1 Peter 5:7 ERV*

- Each hour, 78 kids and teens are studying God's Word through Bible League's ministry. The hope of Jesus Christ is transforming young hearts.
- Ethiopia, India, and China make up three of the five countries with the biggest Bible shortages. According to the Bible Access List, more than 10 million Christians in these countries alone want a Bible but don't have one.
- Around the globe, only about 3 in 10 people follow Jesus. Many others follow Islam, Hinduism, and Buddhism. Men, women, children, and teens are still searching for hope that only the Gospel offers.
