

Christ is the one who gives me the strength I need to do whatever I must do. Philippians 4:13 ERV

- Around the world, Christians are experiencing persecution simply for following Jesus. In Africa, one in five believers is persecuted. In Asia, it's even higher, as two in five experience persecution.
- About one-quarter of the world's population is under the age of 15. Sharing the Gospel with them remains a vital part of creating a brighter future for the next generation.
- Today, only about 30% of people worldwide follow Jesus. There are billions of people who have never heard the Gospel or had the opportunity to study God's Word. Making disciples is more important than ever.

WEEK 4

Rafiq from **Bangladesh** recently came to faith in Christ through a Bible League Bible study. Several others in his village have also accepted Jesus as their Savior. But it hasn't been easy for the new converts. Religious radicals attacked Rafiq's home and destroyed it. May the hope of God's Word empower and strengthen Rafiq as he endures persecution.

Thank God for Bible League Bible studies taking place in Angoche and Mozambique Island. These are very hard places to share the Gospel in **Mozambique** due to the Muslim majority there. May God ready the hearts of those who will study His Word for the first time.
