Praise God for the Bible-based Literacy ministry among tribal women in **Bangladesh**. These women are learning to read and write while discovering the hope found in Jesus Christ. Pray that the Lord gives them strength to persevere in this country where Christians are persecuted.

WEEK 2

We give thanks to the Lord for opening doors in the **U.S.** Three churches are continuing their discipleship and evangelism trainings through Bible League in Phoenix, Arizona, and Chicago and Rock Island, Illinois. Two other churches in South Bend, Indiana, and Morristown, New Jersey, will begin their training soon.

We are thankful for the opportunity to begin new Bible study groups in Ngarma Prison, **Rwanda**. Please pray that God opens hearts, protects the teams, and transforms lives behind bars. May the Gospel change lives and bring hope, repentance, and restoration.

WEEK 3

Recently, our brothers and sisters in **Malawi** have reached more than 100 children with the Gospel in several schools. We praise God for the seeds of faith being planted in their hearts and for the lives being transformed through His Word.

Last month, 50 church leaders in **Vietnam** were trained to use Bible League's Bible studies to disciple and multiply their 700-member church. We give thanks to the Lord that Bible League Bibles and Bible studies arrived in time for immediate use.

WEEK 4

Our friends in **Brazil** specifically ask you to lift their children and youth in prayer. Pray the Lord continues to work in the hearts of every child to produce lasting fruit. Pray for the ministry leaders to be strengthened and used by God to bring hope, salvation, and love to these little ones.

We give thanks to God for Pastor Yadav and his ministry in **India**. What initially started as a bible study with 10-12 members has grown into a church. The Lord has blessed so richly, they are having trouble finding a meeting site with adequate space. Praise the Lord!
