

"I wait for the LORD, my soul waits, and I hope in his word." Psalm 130:5 ESV

- So far this year, over 15,000 people have been reached with the Gospel of hope and joy in **Armenia**.
- God has truly been at work in **Indonesia** this year. More than 1,700 people have been trained to share His Word with Bible League's materials. More than 33,000 people have been reached with those materials.
- In the past 4 years in **Peru**, God has reached 65,000 children and youth through Bible League's Bibles and Bible studies.
- Through the work of Bible League—everyday prayer warriors, pastors, teachers, church leaders, staff, and volunteers **around the world**—God has reached almost 2 million people so far this year!

WEEK 1

Pray for the newly trained evangelists, leaders, and volunteers in **Armenia** who have supported children and teen Bible studies over the summer. Pray that the Lord grants wisdom to these new leaders to grow the Kingdom amongst the youth effectively.

We pray with the people of **Nepal** after their devastating floods. There are a number of Bible League-trained leaders who have been affected. However, communication with them is extremely limited, or in some cases, non-existent. Pray with God's people during their recovery.

WEEK 2

Mrs. Dumaria Saragih in **Indonesia** asks for prayer. She serves approximately 80 people. The studies are attended by "the least of these": homeless children, teenagers, and adults. Pray that Mrs. Saragih will minister to each with the peace of Jesus through Bible League's Bible studies.

Bible League has received many prayer requests for safety in ministry from **India**. Within a short period of time, four Bible League-trained Bible study leaders and their small groups have been threatened for their joy in the Gospel. Pray fervently for their safety. Pray for their enemies.

WEEK 3

Pray for Church Planter Training participants in the **Philippines** who anticipate their final training session. After graduation, they will return to their communities to plant churches. Pray that the Holy Spirit goes before them and prepares hearts and minds to receive the Gospel of Christ.

Please continue to keep **Venezuela** in prayer after two rounds of earthquakes. Bible League has been to the focal areas offering prayer and spiritual support. Pray for the Lord's provision and for the safety of all who have been affected.

WEEK 4

Recently, church leaders in **Malaysia** have introduced Bible League's Bible-based Literacy training to local leaders and teachers. Pray that through the materials and training, the Gospel will be shared and received by underserved youth. Pray that through learning to read and write, they receive Christ as their Lord and Savior.

Give thanks to the Lord for His continued work in **Peru** amongst children and youth! Many of them live in extremely vulnerable areas with limited access to quality biblical materials. Yet, God has provided His Word through Bible League. Pray the Lord continues raising up the youth to know Him.
