BibleLeague® INTERNATIONAL

NOVEMBER 2026 PRAYER CALENDAR

"Remember, I commanded you to be strong and brave. Don't be afraid, because the LORD your God will be with you wherever you go." Joshua 1:9 ERV

- We praise the Lord for His faithfulness in **Tanzania**. Several years ago, Bible League began Bible studies throughout its 31 regions. Since then, through partnerships with different denominations, more than 100,000 children, youth and adults have been reached with the Gospel!
- Almost 60,000 people have been reached with the Word of God in **Haiti** in the past year.
- This year, 514 churches have been planted in the **Philippines**.

WEEK 1

Continue to pray for the protection of God's people in **Colombia**. The Gospel needs to be preached and shared, but armed conflict, murders, and anxiety due to armed groups and drug trafficking threaten to hinder it. We know the Lord is mighty and we praise Him for the many who continue to be reached.

We pray that the Lord provides more Bible study materials for children in **Burundi**. Recently, there were so many children attending a local Bible study that there was not enough materials for all of them. Pray that the Lord quickly provides His Word to these hungry young people.

WEEK 2

Praise His name and shout it from the mountaintops: 540 participants from Bible League's Church Planter Training program concluded their courses and graduated in the **Philippines**. Pray that they will remain steadfast, Spirit-led, and fruitful, and that their labor will bear lasting fruit for God's Kingdom.

We give thanks to the Lord for providing His Word to ethnic groups in **Tanzania**. This year, Bible League has been working diligently to reach drug abusers with the gospel. Now that they are following Jesus, they are finding freedom in His Word through Bible League's Bible studies.

WEEK 3

Pray for Mary in **Bangladesh** as she reaches children from Hindu and Muslim families with Bible League's Bible studies. Pray that her work will reveal Jesus's love and open doors for their families, and also that it will grow her local church.

Pray with our brothers and sisters incarcerated in a youth prison facility in **Mozambique**. Pray that God's Word, coupled with Bible League's Bible studies, will continue to transform lives so that they experience freedom in Christ.

WEEK 4

We celebrate the 95 participants of Bible League's Church Planter Training program in **Haiti** who concluded their lessons last month. Pray that the Lord will strengthen and embolden their hearts as they sow God's Word into the hearts of all who will hear.

Continue to pray for persecuted Christians in **India**. Advancing the Kingdom is becoming more difficult by the day. A pastor's church was attacked last month. Believers were beaten, and told they must leave their village. Pray for boldness, courage, and peace.
